All workshops have online activities that you can undertake in your own time, but must be completed prior to attending the interactive workshop component. You must be available for the entire duration of the workshop.

If you are working while completing the course we recommend time off to complete these activities.

- Interviewing - 1 day
- Negotiation - 1 day
- Advocacy - 3 days

You will need to have a camera and microphone on your device. If you have not done the preparation work you will not be eligible to attend the workshop.
